Open letter concerning the situation of the Sahrawi prisoners in the detention centres of the Kingdom of Morocco

Mr. President,

The signatory organisations call upon your attention over the situation of 19 Human Rights defenders, originating from the Non Self-Governing Territory of Western Sahara, who are detained after having been condemned to long term imprisonment¹ by the Appeal Tribunal of Rabat on last 19th July in the framework of the trial known as the Gdeim Izik case.

These convictions were pronounced at the end of a unfair trial marked in particular by the taking into account of confessions signed under torture. On 17th February 2013, along with five other Saharawi activists who had been freed, the Human Defenders were condemned to similar penalties by the Permanent Military Tribunal of the Royal Armed Forces of Morocco.

It was only under international pressure, notably from the United Nations Committee Against Torture², that on 27 July 2016 the Court of Cassation annulled the first judgment.

Beyond the numerous procedural irregularities and breaches of the internationally recognized principles on the right to a fair trial, we here denounce violations of the Fourth Geneva Convention.

¹ Perpetuity: Sidi Abdallah Abhah, Mohamed Bani, Mohamed El Bachir Boutinguiza, Brahim Ismaïli, Abdallah Lakhfaouni, Abdeljalil Laaroussi, Sid Ahmed Lamjayed, Ahmed Sbaï.

30 years reclusion: Naâma Asfari - Mohamed Bourial - Cheikh Banga.

25 years reclusion: Mohamed Kouna Babait, Hassan Dah, Mohamed Lamine Haddi, Mohamed Embarek Lefkir, Houssin Zaoui.

20 years reclusion: El Bachir Khadda, Mohamed Tahlil, Abdallah Toubali.

² On 16 December 2016, the Committee against Torture issued a decision condemning Morocco for the torture of Na'ma Asfari (one of the 19 detainees) the failure to investigate his allegations of torture and the reprisals against the applicant.

We recall, on the one hand, that since December 1963 Western Sahara has been recognized by the UN General Assembly as a Non-Self-Governing Territory to which, consequently, UNGA resolution 1514 (XV)³ has to be applied and, on the other hand, that it is the only Non-Self-Governing Territory that, since February 1976, does not have an internationally recognized administering Power.

We also recall that on 6 November 1975 the Kingdom of Morocco⁴ invaded militarily and subsequently occupied⁵ the majority of the said Non-Self-Governing Territory and engaged in an armed conflict with the Popular Front for the Liberation of Saguia el-Hamra de Rió de Oro⁶, which the UN General Assembly recognizes as the representative of the people of Western Sahara⁷. The conflict was frozen by the ceasefire that began on 6 September 1991.

In this context, the young Sahrawis who were arrested, tried and convicted in connection with the events that took place during the 2010 peaceful demonstration in the so-called Gdeim Izik desert zone, calling for the holding of a referendum on self-determination, have to be considered as "protected persons" in accordance with Article 4 of the Fourth Geneva Convention.

During the night between Friday 15 September and Saturday 16, 18 detainees were transferred from the prison of El Aarjat to various places of detention in the territory of the Kingdom of Morocco, only Mr. Naâma Asfari⁸ remained in the prison of El Aarjat.

It is for this reason that, the signatory organizations denounce the violation by the Kingdom of Morocco of Article 76 of the Fourth Convention and respectfully requests you, Mr. President, to send as soon as possible a delegation to the places of detention of the 19 convicts (listed in footnote 1) in accordance with Article 143 of the Convention and to invite the Kingdom of Morocco to abide by the Geneva Conventions to which it acceded in 1956.

Please accept, Mr. President, the expression of our highest consideration.
